Payment Policy:

Full payment is expected at the time of reservation. A space cannot be reserved until the nonrefundable storage fee is collected and paid in full. Any/all work performed during the storage period must be paid at the time of completion of the work. A daily fee of \$10 and loss of Rider Rewards Points will be applied to unpaid balances past 30 days from the date of completed work order/invoice. No discounts given for late induction or early delivery dates. Work orders of \$2,500 or more qualify for free storage when the work order is initiated during the winter storage period. Winter storage must be paid upon reservation and the fee will be applied to the \$2,500 work order upon completion of the work.

**I understand that I will be charged \$10/day and loss of Rider Reward points for unpaid balances after 30 days following the completion of service. _____ (initial)*

Penalty for Late Motorcycle Pick-up:

All motorcycles must be picked up at the dealership or have a scheduled delivery completed by the dealership (subject to prepaid delivery fee) no later than close of business March 31, 2021. **All motorcycles NOT picked up or delivered on or before March 31, 2021 will be subject to a \$10/day storage fee. Please provide at least two business days notice to the dealership to schedule any pick-up for storage or delivery** (motorcycle must still be delivered on or before the end of winter storage March 31, 2021). If additional storage time is required beyond the six month winter storage program, please contact us immediately to avoid the \$10/day fee. We will attempt to accommodate your needs as space permits.

**I understand that I will be charged \$10/day storage fee for any additional storage days without notice. _____ (initial)*

The owner of the above motorcycle must maintain full coverage insurance on the motorcycle during the storage period. It is agreed that the rent of storage space shall be accepted with the distinct understanding that Faribault Harley-Davidson shall not be liable to the owner for any damage whatsoever to the motorcycle, or its content, unless Faribault Harley-Davidson is solely negligent for such cause of damage. The owner does hereby hold Faribault Harley-Davidson harmless from any and all liability, claims and demands for damage to the motorcycle or its contents outside of Faribault Harley-Davidson's control. Faribault Harley-Davidson prepares all vehicles for storage by performing the required prep packages purchased by the motorcycle's owner. Faribault Harley-Davidson will return the vehicles in the same condition received and will not be responsible for non-storage related concerns or the driveability of any motorcycle that was in storage with us. **The motorcycle must arrive clean so a visual inspection of general condition can be done, when it arrives, and when it is picked up** (photographs will be taken for documentation).

All parts removed from motorcycles obtaining service work during winter storage will be disposed of unless picked up by the customer within 10 business days of completion of the work performed, not the end of the storage period.

Please check one below regarding your take-off parts:

- Please retain my parts for up to 10 days after completion of work.
- Please dispose of my parts after work is completed.

****I understand my motorcycle battery may not hold a charge, and/or I may need a new battery, after the 6-month storage period. _____ (initial)**

*****I agree to have my saddlebags and storage compartments cleaned out prior to storage. _____ (initial)**
